### CASTING GRAIN

| Item Number | Alloy  | Karat Color          | Ni/Pd Content   |
|-------------|--------|----------------------|---|
| G1109       | #589   | PD Casting           | 10% Pd White  |
| *G6000      |        | Fine Silver          | Ni Free   |
| *G6001      |        | Sterling             | Ni Free   |
| *G6091      |        | Sterling 93.50% min. | Ni Free   |
| *G6864      | #LG422 | Sterling Silver      | Hardenable, Tarnish Resistant                               |
| *G6165      |        | Silver #484          | PD-containing extra hardenable & Superior Tarnish Resistant |
| *GX705      | DE OX  | Sterling             | Ni Free   |
| *G6376      | #376   | Yellow               | Ni Free   |
| G6571       | #3015  | Red                  | Ni Free   |
| *G0018      | #659   | 9.048K White         | Ni-Pd-free  |
| *G0062      | #7053  | 9.048K Yellow        | Ni Free   |
| *G0070      | #300   | 10K White            | Contains Ni   |
| *G0108      | #659   | 10.084K White        | Ni-Pd-free  |
| *G0152      | #152   | 10K Yellow           | Ni Free   |
| *G0120      | #7053  | 10K Yellow           | Ni Free   |
| *G0195      | #352   | 10K Yellow           | Ni Free   |
| *G0137      | #377   | 10K White            | Ni Free   |
| G1102       | B2     | 10K Yellow           | Ni Free   |
| *G0452      | #152   | 14K Yellow           | Ni Free   |
| *G0496      | #352   | 14K Yellow           | Ni Free   |
| *G1142      | #582   | 14.088K Yellow       | Ni Free   |
| *G0359      | #359   | 14K White            | Contains Ni   |
| *G1020      | #423   | 14.088K White        | Contains Ni   |
| *G0450      | #50    | 14K Red              | Ni Free   |
| *G0471      | #531   | 14K Red              | Ni Free   |
| *G0487      | #86A   | 14K Red              | Ni Free   |
| *G0280      |        | 14.088K Red #LG438   | Ni Free   |
| *G0512      | #127   | 14K White            | Pd, Nickel Free   |
| *G0803      | #3     | 18K Yellow           | Ni Free   |
